**LIVE LIFE  
WITHOUT  
EVER  
MISSING A  
MOMENT.**

X-PLOR encourages you to go wherever you want by delivering the oxygen you need while providing long-lasting battery life. That means no matter what, you can always count on being there.

**3.75 lbs**  
**5 pulse settings**

# NOTABLE FEATURES

## USER-FRIENDLY

Direct-charge batteries, and user-replaceable oxygen sieve cartridges. No tools needed. No service tech needed. No downtime.

## MULTIPLE FLOW SETTINGS

**X-PLOR** has 5 pulse flow settings delivering up to 900 mL/min.

**DISCOV-R** has 8 pulse flow oxygen settings + 4 continuous flow settings delivering up to 2000 mL/min.

## BLUETOOTH® CAPABILITY

Connect the **X-PLOR** or **DISCOV-R** to your mobile device through the **nomad** app.  
by belluscure

 belluscura | [belluscura.com](https://belluscura.com)

DISCOV-R produces more oxygen per pound than any other portable oxygen concentrator. The DISCOV-R was designed with our patients in mind and getting them back to doing the things that they love.

**6.5 lbs**  
**8 pulse settings**  
**2 LPM continuous**
